To: The Shareholders of Wegmans

Dear Sir/Madam,

STATEMENT TO THE SHAREHOLDERS IN RELATION TO THE PROPOSED RENEWAL OF AUTHORITY

1. INTRODUCTION

At the last AGM held on 25 May 2023, the Company obtained its shareholders' approval for the authority for Wegmans to purchase its own ordinary shares of up to ten percent (10%) of the issued shares of the Company. The said approval shall, in accordance with the Listing Requirements, expire at the conclusion of the Company's forthcoming AGM.

The Board had on 18 April 2024, announced the Company's intention to seek shareholders' approval for the Proposed Renewal of Authority at the forthcoming AGM.

The purpose of this Statement is to provide you with the details of the Proposal and to seek your approval on the ordinary resolution to be tabled at the forthcoming AGM in relation to the Proposed Renewal of Authority. The Notice of AGM and the Form of Proxy are set out in the Company's Annual Report 2023.

SHAREHOLDERS ARE ADVISED TO READ AND CONSIDER THE CONTENTS OF THIS STATEMENT CAREFULLY BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF AUTHORITY.

2. DETAILS OF THE PROPOSED RENEWAL OF AUTHORITY

2.1 The Company proposes to seek your approval for a renewal of the authority to purchase its own ordinary shares of up to ten percent (10%) of the issued share capital on Bursa Securities via stockbroker(s) to be appointed by the Board, at any time during the authorised period. The authority from the shareholders for the Proposed Renewal of Authority will be effective upon the passing of the ordinary resolution for the Proposed Renewal of Authority at the forthcoming AGM until:

- (i) the conclusion of the next AGM of the Company at which time the said authority would lapse unless renewed by ordinary resolution passed at that meeting, either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the next AGM of the Company after that date is required by law to be held; or
- (iii) the authority is revoked or varied by ordinary resolution passed by the shareholders of the Company in general meeting,

whichever occurs first.

2.2 Pursuant to Paragraph 12.10 of the Listing Requirements, the Proposed Renewal of Authority must be made wholly out of the retained profits account of the Company. The retained profits account of the Company for the last three (3) financial years were as follows:

	Retained profits (RM)
As at 31 December 2021 as per audited accounts	70,756
As at 31 December 2022 as per audited accounts	1,283,480
As at 31 December 2023 as per audited accounts	1,769,919

The maximum amount of the funds to be allocated for the Proposed Renewal of Authority shall be limited to retained profits of the Company. The funding will be internally generated and will not have a significant negative bearing on the cash flow position of the Wegmans Group.

2.3 Pursuant to the Listing Requirements, the purchase price of Shares cannot be more than fifteen percent (15%) above the weighted average market price of our Shares for five (5) Market Days immediately preceding the date of the purchase. In the case of a resale of the treasury shares on Bursa Securities, the Company may only resell any treasury shares at a price, which is:

- (i) not less than the weighted average market price of Shares for five (5) Market Days immediately prior to the date of the resale; or
- (ii) a discounted price of not more than five percent (5%) to the weighted average market price for Shares for five (5) Market Days immediately prior to the date of the resale, provided that:
 - (a) the resale takes place not earlier than thirty (30) days from the date of purchase; and
 - (b) the resale price is not less than the cost of purchase of the Shares being resold.

2.4 In accordance with Section 127(4) of the Act, the Directors are able to deal with any Purchased Shares by the Company under the Proposed Renewal of Authority in the following manner:

- (i) to cancel the Purchased Shares; or
- (ii) to retain the Purchased Shares in treasury which is referred to as “treasury shares” in the Act; or
- (iii) to retain part of the Purchased Shares as treasury shares and cancel the remainder of the Purchased Shares.

2. DETAILS OF THE PROPOSED RENEWAL OF AUTHORITY (CONT'D)

In regards to the Purchased Shares and retain as treasury shares, the Board may decide to distribute the treasury shares as share dividends to our shareholders and/or resell the treasury shares on Bursa Securities and utilise the proceeds from the resale of the treasury shares for potential investment opportunities arising in the future or as working capital.

If the Board decides to resell the treasury shares on Bursa Securities, the Company will make an announcement on the day the resale is made, providing details of the description of the Shares resold, the number of Shares resold, the resale price of each Share resold or where relevant, the highest and lowest resale price, the total consideration received and the cumulative net outstanding treasury shares at the date of notification, where applicable.

- 2.5 The Proposed Renewal of Authority will allow the Board to exercise the power of the Company to purchase its Shares at any time within the abovementioned period using the internal funds of the Company and/or external borrowings. The amount of internally generated funds and/or external borrowings to be utilised will only be determined later, depending on, amongst others, the availability of internally generated funds, the actual number of Shares to be purchased and other relevant factors.

The actual number of Shares to be purchased and the timing of such purchases will depend on, amongst others, the market conditions and sentiments of the stock market as well as the retained profits account and the financial resources available to the Company. In the event the Company purchases its own Shares using external borrowings, the Board will ensure that the Company has sufficient funds to repay the external borrowings and that the repayment would have no material effect on the cash flow of the Company.

3. RATIONALE AND POTENTIAL ADVANTAGES OF THE PROPOSED RENEWAL OF AUTHORITY

The Proposed Renewal of Authority will enable Wegmans to utilise any of its surplus financial resources to purchase its own Shares from the market. It may stabilise the supply and demand of Shares traded on Bursa Securities and thereby support its fundamental value. The stability of Share price is important to maintain investors' confidence to facilitate any future fund raising exercises via the equity market.

Assuming all things being equal, any purchase of Shares, regardless whether its Shares so purchased were retained as treasury shares or cancelled, would result in a lower number of Shares being used for the purpose of computing the EPS. The reduced issued share capital subsequent to the Proposed Renewal of Authority may improve the Company's EPS, which in turn could be expected to benefit the shareholders.

The Purchased Shares can be held as treasury shares and resold on Bursa Securities at a higher price with the intention of realising a potential gain without affecting the total issued share capital of the Company. Should any treasury shares be distributed as share dividends, this would serve to reward the shareholders of the Company.

4. POTENTIAL DISADVANTAGES OF THE PROPOSED RENEWAL OF AUTHORITY

The Proposed Renewal of Authority will temporarily reduce the financial resources of the Company. This may result in the Company foregoing other investment opportunities that may emerge in the future or, at least, deprive the Company of interest income that can be derived from funds to be utilised for the Proposed Renewal of Authority.

It may also reduce the amount of resources available for distribution in the form of dividends to the shareholders as funds are utilised to purchase its own Shares. However, the financial resources of the Company may recover and increase upon the re-selling of the Purchased Shares held as treasury shares.

Notwithstanding the above, the Board is of the view that the Proposed Renewal of Authority is not expected to have any material disadvantage to the shareholders as well as the Company as it will be implemented only after careful consideration of the financial resources of the Group and the resultant impact on the shareholders and the Company.

5. EFFECTS OF THE PROPOSED RENEWAL OF AUTHORITY

The effects of the Proposed Renewal of Authority are as follows:

5.1 Share Capital

The effects of the Proposed Renewal of Authority on the issued share capital of the Company, based on the following scenarios, are as follows:

	No of Shares
As at LPD ⁽¹⁾	549,480,105
Proposed Renewal of Authority (assuming all Shares purchased are fully cancelled)	<u>(54,948,010)</u>
Balance after the Proposed Renewal of Authority	<u><u>494,532,095</u></u>

Note:

⁽¹⁾ Excluding 557,500 Wegmans Shares held as treasury shares.

In the event Shares purchased are retained as treasury shares, the Proposed Renewal of Authority will not affect the issued share capital of Wegmans but the rights attached to them in relating to voting, dividends and participation in any other distributions or otherwise are suspended and the treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including calculation of substantial shareholdings, take-overs, notices, the requisitioning of meetings, calculation of quorum for meetings and the result of a vote on a resolution at meeting.

5. EFFECTS OF THE PROPOSED RENEWAL OF AUTHORITY (CONT'D)

5.2 NA

The consolidated NA of the Company may increase or decrease depending on the number of Shares purchased under the Proposed Renewal of Authority, the purchase prices of its Shares, the effective cost of funding and the treatment of its Shares purchased under the Proposed Renewal of Authority.

The Proposed Renewal of Authority will reduce the consolidated NA per Share when the purchase price exceeds the consolidated NA per Share at the time of purchase. On the contrary, the consolidated NA per Share will increase when the purchase price is less than the consolidated NA per Share at the time of purchase.

If the Shares purchased under the Proposed Renewal of Authority are held as treasury shares and subsequently resold on Bursa Securities, the consolidated NA per Share would increase if the Company realises a gain from the resale or vice versa. If the treasury shares are distributed as share dividends, it will decrease the Group's NA by the cost of the treasury shares.

5.3 Working Capital

The Proposed Renewal of Authority will reduce the working capital and cash flow of Wegmans Group, the quantum of which depend on the purchase price of its Shares, the actual number of Shares purchased and any associated costs incurred in making the purchase. For Shares purchased which are kept as treasury shares, upon their resale, the working capital and cash flow will increase. The quantum of the increase in the working capital and cash flow will depend on the actual selling price(s) of the treasury shares and the number of treasury shares resold.

5.4 Earnings

The effect of the Proposed Renewal of Authority on the consolidated EPS of the Company will depend on the purchase prices paid for its Shares, the effective funding cost to the Group to finance the purchases of its Shares or any loss in interest income to the Group, if internally generated funds are utilised to finance the purchase of its Shares. Further, the purchase of Shares will result in a lower number of shares being taken into account for purposes of EPS computation.

Assuming that any Purchased Shares are retained as treasury shares and resold on Bursa Securities, the effects on the consolidated earnings of the Company will depend on the actual selling price, the number of treasury shares resold and the effective gain or interest savings arising from the exercise.

5.5 Dividends

The Proposed Renewal of Authority is not expected to have any material impact on the policy of the Board in recommending dividend, if any, to the shareholders. However, the Board may distribute future dividends in the form of the treasury shares purchased pursuant to the Proposed Renewal of Authority.

8. PUBLIC SHAREHOLDING SPREAD

The Proposed Renewal of Authority will be carried out in accordance with the prevailing laws at the time of the purchase including compliance with the requirement of twenty-five percent (25%) public shareholding spread under Paragraph 8.02(1) of the Listing Requirements ("Required Public Shareholdings Spread").

As at LPD, the public shareholding spread of our Company based on the issued share capital of 549,480,105 Shares was 26.60%. The proforma effects of the Proposed Renewal of Authority on the public shareholdings spread of our Company assuming the Proposed Renewal of Authority is carried out in full and there is no change in the number of Shares held by Directors, Major/Substantial Shareholders and Persons Connected to the Directors and/or Major/Substantial Shareholders, are as follows:

- (1) Taking into consideration the 557,500 Shares in the Company's Treasury Shares Account retained as treasury shares as at LPD.
- (2) Assuming that 54,948,010 Shares (being the maximum number of Shares that could be purchased in the Company's Treasury Shares Account as at LPD) are bought back and retained as treasury shares.

As illustrated above, our Board noted the possibility that the Required Public Shareholdings Spread will not be met in the event our Company purchases up to ten percent (10%) of the total number of issued shares. Hence, in compliance with Paragraph 12.14 of the Listing Requirements, our Board will ensure that our Company complies with the Required Public Shareholding Spread at all times and shall not make the decision to buy back our Company's own shares if the purchase would result in the Required Public Shareholdings Spread not being met.

9. IMPLICATION OF THE CODE

Our Company does not intend to undertake the Proposed Renewal of Authority such that it will trigger any obligation to undertake a mandatory offer pursuant to the Code. However, in the event an obligation to undertake a mandatory offer is to arise with respect to any party resulting from the Proposed Renewal of Authority, the relevant parties shall make the necessary application to the Security Commission for a waiver to undertake a mandatory offer pursuant to the Code.
